### PROJECT REPORTS

Maintenance Project - Joan Reedy

Joan had many comments and suggestions thru out the course. As a whole Trini's crew is doing a great job of maintaining our course thru this HOT time of year.

1. The new sand on the third fairway is completed.
2. The ladies tee box on number three is healing well.
3. The cart path between #13 and #14 is completed.

FYI: The green colored spray on the greens is an anti-fungal. It is colored green so the crew can tell where it has been sprayed to prevent over spray. It is completely non-toxic.

Clubhouse Project - Betsy Wadman no report

Current Condition Project - Jeff Stewart no report

### STAFF REPORTS

Maintenance - Trini Hernandez

1. Next bunker to be repaired will be the green side bunker on #6
2. Doing a lot of spot watering because of the heat.
3. Working on skunk and squirrel problems.

4. The club is not going to renew the permit for removal of the Coots. It is too costly.

Management - Trini Hernandez

Please be cautious at the new gate. One car can pass at a time. The gate will close automatically.
