Current Conditions – Jeff Stewart was ill, however, inquired as to the possibility of waterproofing the score card box on the #2 tee box.

Also, we as members should park carts on the cart path at the tee box as well as the greens.

SUCH AS: NO one should be walking on the course during regular play hours.

NO dog walking on the course during play.

NO children or adults playing or riding bikes on the course.

All of the above activities are against the rules, but more than that it is very dangerous.

FOOD SERVICES – Patti Maxwell

The grill will be closed on Oct. 17 & 22 due to tournaments scheduled on these days

The grill will be closing at 4 p.m. for winters hours, and the bar area will close at 6 p.m.

BOARD MEMBER REQUESTS:

Please post the Friday night happy hour menu earlier.

We would like to see the newsletter mailed to the members again. We believe we would get better participation in the club events if everyone received the info in the mail.

We would like trash cans on the ladies tee boxes and ball washers.

Grounds keepers should check sprinkler timers to make sure sprinklers are not interfering with play.

It is also time to change the timer on the outside lights in the parking and patio areas as it is becoming dark much earlier.

OLD BUSINESS

Historical File – Gary Mesmer will try to find old records.

Memorials – Pat Embree has submitted a list of ideas. We would also like to hear from members about what they would like to see, or not see.

The board was also asked what we thought about Rio Bravo being closed on Friday Jan 1 – New Years' day. The board agreed with Rio Bravo being closed.

Meeting adjourned at 5:30 p.m.

Jeni Quigley - Secretary
